

Unley Mercedes Jets Seeking Addition to Coaching Group – Youth Development Interest Highly Regarded.

The Unley Mercedes Jets Football Club (UMJFC) is fielding 3 Senior Sides within Division 2, 2R and C2 of the Adelaide Footy League competition in 2018.

A revitalised Football Department structure, with the addition and guidance of some top talent, makes this an exciting time to join the coaching team.

A position exists for a committed individual, looking to enhance or perhaps begin their coaching career, to join newly appointed A Grade Coach, Kane Stewart, Michael Doughty (Football Director – ex Ad Crows) and Daniel Caire (Assistant Coach – Ex West Adelaide) in pursuing Our Club's objectives.

The successful appointee would initially be given responsibility for the Thirds Side with oversight and assistance from the Football Department's senior personnel.

For further information regarding joining The Jets coaching team, please contact the Senior Football Operations Manager, Jeremy Pickering, on 0411 657 696.

Otherwise, please forward applications along with qualifications and coaching/playing experience, including references, to senior_footy_ops_manager@unleyjets.com.au

We are particularly seeking staff with the ability to assist the development our players transitioning from school and juniors, to senior footy.

NOTE: Applications close Friday 16th of Feb so don't delay.
